In the Police Court.

Ten cases occupied the attention of Acting Mayor Jepson yesterday morning. Two traveling printers were sent up for disorder. A colored man on the same charge paid \$5 and costs, and three other white ones \$2 and costs. Another of the same kind was dismissed. A Sunday drunk was fined \$5 and costs, and James Conkle, charged with disorderly conduct, had his case continued until this morning.

Some Stealing.

Mr. William Erskine yesterday notified the police that a sail boat had been stolen from his place on North Front street.

J. T. Hare, who lives at Elm Grove, was robbed Sunday of a pair of boots, a pair of cuff buttons and \$2 in money, which was in a child's bank. The thief is supposed to be one of a lot of boys who escaped from the Morgantown, Pa., reformatory last Thursday and came in this direction.

Fine Sidewalks.

Sawed Berea stone is being received here now by the car load for side walks. Huge stones, eight or ten feet by twelve or sixteen, and six inches thick, as smooth as paper, are on four flat cars in the old Hempfield yard now. Similar stones have just been laid about the Public Library building, and Mr. Reymann will pave around his new residence on the corner of Eoff and Fifteenth streets with them. Eight or ten cars of building stone are also received here daily for the new bridge, the Lutheran church on Chapline street and other buildings, to say nothing of whole train loads of bricks and lumber.

Transfers Recorded.

Clerk Hook yesterday admitted to record three deeds of trust and transfers as follows:

July 21, by Augustus Wickerly and wife to Alwyn S. Ronk, for \$800, a lot on the road from the National road to Mt. Wood Cemetery.

June 1, 1889, by Mary L. Reed, of Philadelphia, to Eliza Reed, in consideration of \$1 and natural love and affection, 54 acres of land adjoining the Woods farm, east of Wheeling.

July 21, by Anthony D. Rickey and wife to Milton R. Rickey, for \$5, the east half of lot 10 on the south side of Virginia street, Island.

July 21, by Milton R. Rickey to Anthony D. Rickey, for \$5, the east half of lot 10 on the south side of Virginia street.

June 1, by G. L. Canmer and wife to James F. Carroll, a deed of correction for a lot on Virginia street.

At Clerk Hook's Office.

A power of attorney by the Walker Manufacturing Company to George B. Caldwell was filed for record yesterday.

Marriage licenses were issued to Al Keller, aged thirty, a native of Doddridge county and resident of Marion county, and Linda Jane Phillips, aged twenty-two, a native of Wheeling and resident of Grafton; and Edward Rice, aged twenty-one, a native of Allegheny county, Pa., and resident of Athens, Ohio, and Fannie Tate, aged twenty-one, a native of Allegheny county, Pa., and resident of Wheeling—both colored.

Mary L. Pugh was appointed administratrix of the estate of A. R. Pugh, deceased, and gave bond in \$200, with Joseph H. Griffith as surety.

Michael G. Werner was appointed administrator of the estate of Catherine Werner, and gave bond in \$800, with Ezekiel Ball as surety.

Resolutions of Respect.

At a special meeting of the Board of Directors of the Odd Fellows' Hall Association, held this evening, the following preamble and resolutions were presented and adopted:

Resolved, That we have entered our board and taken from among us a most active member, one most punctual in attendance on our meetings, whose advice was always practical and valuable, we have great cause to mourn his death as a loss scarcely capable of being replaced; therefore, be it

Resolved, That in the death of Brother Henry Stamm we lose a member of this board whose relations with us have ever been pleasant and agreeable.

Resolved, That we tender the family of our deceased friend and brother our most heartfelt expressions of sympathy and affection.

Resolved, That we attend the funeral of Brother Stamm in a body.

Resolved, That this preamble and resolutions be spread upon the minutes of this meeting and a copy of the same be made and presented to the family of the deceased.

Respectfully submitted,

B. F. CALDWELL,
SAMUEL DARRIN,
GEORGE MATTHEWS,
Committee.

Don't be discouraged about that eczema till you have given Ayer's Sarsaparilla a persistent trial. Six bottles of this medicine cured the complaint for George S. Thomas, of Ada, Ohio, when all other remedies failed to afford any relief.

A Traveling Man's Experience.

F. S. Verbeck, who represents the type foundry of Messrs. Barnhardt Bros. & Spindler, Chicago, says: "On my return home from a trip I found our little girl sick with summer complaint. I went to a drug store and procured a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. We gave her a few doses according to directions. She recovered in a short time and we were well pleased with the medicine." DAW

OUR MR. ATKINSON

Talks About Politics in Washington—West Virginia for Blaine—Faulkner's Chances.

Special Dispatch to the Intelligencer.

WASHINGTON, July 27.—In an interview here ex-Representative Atkinson is quoted as saying: "West Virginia is for Blaine for President, first, last and always. At the same time I do not expect to see him lead the ticket. My belief is that he doesn't desire the nomination, but will lend his aid to Mr. Harrison. The respective tickets will be Harrison and Cleveland, and mark my words the Republicans will, metaphorically speaking, mop the face of these United States with the prostrate forms of our friends the enemy."

"Yes, sir, the opposition will find a Waterloo in the ides of November, '92. Why, even West Virginia may be confidently set down on the Republican side in the next national conflict. But lest you think I claim too much, I will concede that the Democrats will win the Legislature next time."

"As usual one of its duties will be the election of a United States Senator, and I don't hesitate to predict that Mr. Faulkner will be chosen to succeed himself. There is no reason why he should not, for he is a good man and has made an enviable record in the Senate. There is some little talk that ex-Senator Camden will be a candidate, but Faulkner has the inside track and is almost certain of re-election."

MARTINSBURG DEATHS.

Five Deaths in a Day, and All Prominent People.

Special Dispatch to the Intelligencer.

MARTINSBURG, W. Va., July 27.—James D. Miller, an influential and popular farmer, died at his residence in Falling Waters district, this county, on Saturday, very suddenly, aged 78 years.

Mr. Tillotson Evans, a popular and widely known gentleman, living in Arden district, this county, died on Saturday, aged 77 years, the result of a paralytic stroke received about a year ago.

George Tobin, a son of P. C. Tobin, of this city, attended a Catholic picnic at Island Park, near Harper's Ferry, on Saturday. Early yesterday morning he was found a short distance from that place with one leg cut off and badly bruised about the head. He was brought home in an unconscious condition and died later in the day. It is supposed that he attempted to board a moving freight train and was thrown under the wheels.

Mrs. Phillips, aged 62 years, wife of William Phillips, a prominent merchant of this city, died at her home last night of consumption, after a lingering illness.

IT WAS KEPT QUIET.

Murderer Fitzgerald Taken to the Columbus Penitentiary for Execution.

YOUNGSTOWN, O., July 27.—William Fitzgerald, who has been sentenced to be executed on November 19 for the murder of Officer William Freed, was taken to the Columbus penitentiary at 2 o'clock this morning, where he will be executed unless the Circuit Court grants a new trial, which is not probable.

Precautions were taken by having him heavily ironed and guarded by Sheriff Ewing and four deputies, to prevent a possible rescue by his pals and the time of his departure was unknown to any one except the officers and reporters. While at the depot Fitzgerald noticed a reporter who had been writing caustic articles about him, and uttering an oath, he struck at the reporter, but the blow fell short. Fitzgerald's wife left on a later train for Columbus.

POOR LOGAN COUNTY.

The Kentucky Liar Locates Another Blood Curdler There.

CATLETTSBURG, Ky., July 27.—Saturday a battle between negroes and Italian workmen on the Norfolk & Western road in Logan county, W. Va., was fought, in which two Italians and one negro were killed and several wounded. The trouble arose over an Italian's wife who left her husband and went to live with the negroes. The laborers of both sides have joined the fighters, and another battle is expected when they meet. The officers were unable to make arrests.

A Perfectly Logical Result.

NEW YORK, July 27.—The Post says: The break in stock market this morning under the attack of a resolute bear combination was a perfectly logical result of existing conditions. In a number of market specialties large blocks of shares have been held for two months or more by brokers or operators in expectation of selling at high prices. In the face of bullish crop news the market has obstinately refused to advance. It has become practically impossible to borrow time money on the collateral in hand. The result of the bear pools experimenting and testing during the past fortnight was the drive of the morning which succeeded in dislodging a liberal supply of long stock.

The Professor Disappeared.

FORT WAYNE, Ind., July 27.—Prof. P. O. Campbell, the airship man, proposed to give an exhibition here yesterday, and a crowd of 3,000 people gathered, who paid 25 cents each to witness the performance. When the money had been taken in the professor disappeared, and 3,000 dupes went home. The performance had been prohibited by the mayor.

WHEELING INSTALMENT CO.

What we offer this week are goods of an "immediate need" character, entirely seasonable and withal indispensable. They may have met your eye at other places, but never has it rested on them at our prices, which are always the lowest and which will, this week, be on these "immediate need" goods lower than ever. We have Ice Chests at \$6; we have them, in fact, at any price. Your attention, however, we would have especially directed to our large Solid Ash Ice Chests, guaranteed charcoal filled, for \$9, worth \$12. We cannot stop to talk about their worth; it's entirely foreign to our present considerations of how many of these goods we have and how long it will take to dispose of them. We have adopted the most expeditious plan by reducing prices. This same reduction applies to our entire line of Ice Chests and Refrigerators. In warm weather needfuls we offer four-gallon Water Coolers, that is the same Cooler that sells regularly at \$3 50, for \$2 25 each; three-gallon Water Cooler \$1 75, former price \$2 75; two-gallon Coolers 75c each.

In Baby Carriages we have an assortment hard to beat in Reed and Rattan Bodies, upholstered in all shades and qualities of upholstery goods, which we sell for cash or on credit.
